The Real Diary Of Rayna

28 1 2

Chapter 1 by Woofie

OK. Let's talk about my life. It's capital HORRIBLE. I repeat HORRIBLE! I have 8 sisters and 3 brothers. My sisters' names are (and I'll put them in age order) Leela, Regan, Azoon, Rilly, Jilly, Aywul, Gemy, and Qwen, and my brothers' names are Jared, Dexy, and Rey. Jared and Regan are twins. So, 11 siblings... I think ... I hate school. BTW, do you like my pen? It randomly changes color. I'm a total failure. I am always getting Z-s on my tests. I have approximately 2 friends. They are my older brother, Jared, and my older sister, Regan. Horrible life, right? Oh wait. I have approximately 3 friends. My other friend is Raylee. Raylee is just about as bad at school as I am. Honestly, I'm not really doing anything in this chapter. So, I'll end it.

Chapter 2 by SuwCats

This morning, our house was in pandemonium. It always is. I have 11 siblings. Whad'ya expect? It gets annoying. Our house is huge. That's not good considering we have 15 people in the house. How much stuff do you think we have to clean? A lot. Oh yah, it's 14 people. I tried to escape, but Mom saw me and said "RAYNA!!!! GET OVER HERE AND HELP CLEAN RIGHT NOW!!!!!" She was yelling at me and over the noise. We are moving. I'm in the top back seat of our 15 decker bus. Yes, we have a 15 decker bus. It's all neon and glow in the dark. It's a convertible too, and has a snack bar with a few workers and a fridge. Our bus has a built in playground, computers, relax rooms, and beds. 2 deckers are for storage. It's also 49 feet long. Me likey ;) It gets annoying, with that many siblings though. At least Raylee is moving too... Guess where? To my new neighborhood! EEEEEEEEE! Why am I doing that? I'm not a girly-girl.
